THE GBA

GBA on Action

I bet you have never seen such an active GBA board! That's not just because you have just been at school for one or five semesters but also because we are doing many things this year and we hope you are not missing them!!!

Thanks to all of you for the success of the events that took place during Mod III such as:

- The International Dinner Series featuring Japanese food at Shintomi.
- The GBA Lunch and Learn with Deloitte on Mass Career Customization, and
- The GBA International Film Festival featuring movies from Germany, Brazil, and India.

If you missed one of the International Dinner Series... don't worry! Every month we will go together with 10 domestic and 10 international students to a restaurant featuring international food... so we still have at least 4 more dinners to go!!!

If you want to keep aware of what is the world celebrating at any given month/day, don't forget to check out our monthly issue of the Global Calendar!!
